## **Panel Publishes Revised Guidance Note 4 – Remedies General**

The Takeovers Panel has today published a revised [Guidance Note 4](#) (GN 4) on Remedies General. This is the seventh issue of the guidance note.

The Panel issued a [consultation paper](#) in relation to proposed amendments to GN 4 on 15 December 2025. The Panel received one submission in response.

The Panel’s Public Consultation Response Statement in relation to GN 4 detailing material comments received on consultation and the Panel’s responses, as well as a copy of the submission received, are available in the [Consultations section](#) of the Panel’s website.

The Panel thanks the GN 4<sup>1</sup> sub-committee for their assistance in developing the revised guidance note.
