DGR Global Limited – Further Interim Orders and Undertaking

The Panel has made further interim orders and has accepted an undertaking in the matter of DGR Global Limited (see TP26/039).

The Panel made the further interim orders and accepted the undertaking to maintain the status quo while it continues to consider the matter.

The further interim orders have the effect of extending the interim orders made on 8 July 2026 in relation to Tenstar Trading Limited (see TP26/041) that restricted Tenstar from disposing of or otherwise dealing with any shares in DGR in which it had a relevant interest so that Tenstar's associates, Samuel Holdings Pty Ltd, and Samuel Holdings' associates are now subject to the same restriction.

The further interim orders have effect until the earliest of further order of the Panel, the determination of the proceedings, and 2 months from the date of the interim orders.

A copy of the interim orders is attached as Annexure A.

The further interim orders supersede the undertaking given by Samuel Holdings (see TP26/044). The Panel has consented to the withdrawal of the undertaking by Samuel Holdings.

The Panel has also accepted an undertaking from Mr Benn Whistler to the same effect as the further interim orders. The undertaking continues until the earliest of the determination of the proceedings and 2 months from the date of the undertaking.

A copy of the undertaking is attached as Annexure B.
