## **Takeovers Panel Relocating to New Premises**

The Takeovers Panel has relocated to new premises at Level 16, 530 Collins Street, Melbourne. In the new premises we share a reception with the Melbourne office of the Commonwealth Department of the Treasury (**Treasury**).

*"We have been planning this move with Treasury for some time and are pleased with how smoothly it has gone in the circumstances",* said the Panel's director Allan Bulman.

*"I wish to thank the facilities and IT staff from Treasury in Canberra who worked so hard to relocate us during what has turned out to be a very difficult period."*
